All alcoholic beverage products purchased from Sunsational Citrus Inc, are sold in the State of Florida and the title passes to the buyer in Florida immediately at the time of sale. This applies to all sales whether by Internet, email, phone or in person at Sunsational Citrus Inc retail/country store. Because of the myriad and ever-changing laws governing the shipment of alcoholic beverages to different states, counties and local governments and the lack of any seeming uniformity and opinions of constitutionality, Sunsational Citrus Inc makes no representation as to the legal rights to ship or import alcoholic beverages into any state outside of Florida. The buyer is solely responsible for the shipment of alcoholic products and for specific knowledge of his or her state's, county's or local laws concerning alcoholic beverage shipment. By placing an order with Sunsational Citrus Inc, the buyer expressly authorizes Sunsational Citrus Inc to legally act as agent on the buyer's behalf to engage a common carrier as the delivery service for the order and that it is legal for an out-of-state buyer to receive alcoholic products by common carrier at the address provided by the buyer. In placing this order, the buyer further represents that the buyer or the buyer's authorized, designated order recipient is at least twenty-one (21) years of age on the purchase date.
